Ambarita, kec Simanindo, Kab Samosir

I am an active student majoring in Information Engineering at the Del Institute of Technology with a GPA of 3.1. I have valuable experience contributing to open-source projects and possess expertise in website and mobile application development. With strong teamwork and communication skills, I am highly committed to creating efficient, innovative, and user-friendly technology solutions in the field of software development. Passionate about learning and exploring new technologies, I continuously strive to expand my knowledge and deliver impactful results.
